

Weston Potato Show Proves Big Success

WESTON, Nov 16 – “Unusually fine” was the general verdict of those who attended the twenty-first annual Umatilla County Potato Show here Friday and Saturday. Exhibits of both seed and commercial potatoes were considered especially good this year. A creditable showing of all other products, and exhibits of school work by the various departments of the local school were on display.

The program at Community Hall Friday evening consisted of a Red Cross play put on by the lower grades, and a minstrel show by the high school. The two-day celebration closed with a dance in the school gymnasium Saturday evening.
