- Your logo and contact information on all Potato Show marketing information.
- Space provided for your company/product information on Sponsor Table.
- Business card ad in WADA's October 2026 newsletter.

Your Sponsorship Helps Support the 104th Annual Umatilla County Potato Show!

The Annual Umatilla County Potato Show was started in 1922 as a way to show off the variety of crops that could be profitably produced on the land in Umatilla County and to encourage diversification. The Umatilla County Potato Show was started by the Weston Mountain Potato Growers Association. It became an annual event, with area growers competing for prizes with the many varieties of table and seed potatoes.

Farming is no longer what it was in 1922, but the Umatilla County Potato Show continues to be held in October of each year. It still features locally grown produce – both fresh and canned – but it has been expanded more of a local arts and crafts fair. The show now includes handiwork such as quilts, paintings, photography, and baked goods which are all exhibited at the Memorial Hall.

Deadline for sponsorship is October 10, 2026. Checks should be made out to Weston Area Development Association and mailed to PO Box 256, Weston, OR 97886 or payment can be made online at: <https://tinyurl.com/yc2hyyz6> 501 (c) 3 nonprofit Tax ID: 88-0783039
